IGNITING IMAGINATION

*Do all the good you can for
as long as you can.*

– JOHN WESLEY

PARTNERING IN A CYCLE OF GENEROSITY SINCE 1969

Wesleyan Impact Partners is a national financial and leadership ministry partner to churches, nonprofits, and leaders, dedicated to the mission of the church, nurturing thriving congregations and flourishing communities.

We invest in ministries and innovative leaders courageously doing Christ's loving work in the world, providing investments, loans, endowment and gift-planning services, and leadership learning and innovation initiatives.

Our ministry is made possible by investors in Impact Certificates who earn a positive return* and fund loans to churches and nonprofits that help make their dreams come true.

As a nonprofit, all of our revenue is reinvested in the church through gift planning services and resources and learning and innovation initiatives that strengthen the church's witness, bringing the experience of God's love to more people.

INVESTING IN A THRIVING NEIGHBORHOOD

Bethel AME Church of Ardmore, Pennsylvania, has been a beacon of faith and service and a thriving neighborhood hub for 129 years.

Bethel AME lives out a tradition of service to God throughout its community. One way they're changing lives for the better is through Ardmore Victory Gardens; launched in 2018, it promotes wellness, food sovereignty, and intergenerational learning. Investing in Wesleyan Impact Partners Impact Certificates is a core strategy in their plan for long-term sustainability.

WEATHERING LIFE'S STORMS TOGETHER

Wesleyan Impact Partners stands with those it serves, especially when situations get tough. Linden-Linthicum UMC in Clarksville, Maryland, faced the daunting reality of having limited financial resources. We refinanced their loan to offer a lower interest rate and reduced payments, which allowed the church to finish an expansion project and increase its ministries.

Partnering also allowed Linden-Linthicum to innovate. Bolstered by a unique loan assistance program we created to support churches during the pandemic, they developed new ways to engage their community, which allowed them to increase membership.

CONVERSATIONS THAT SPARK THE SPIRIT WITHIN YOU

Wesleyan Impact Partners' *Igniting Imagination*[®] podcast aims to spark our collective imagination for the changing spiritual landscape by offering ideas to strengthen spiritual practice, build community, and inspire courage and innovation.

The *Igniting Imagination*[®] podcast features rich conversations with prominent leaders from across the cultural and spiritual landscape that invite listeners into new relationships with themselves, their church, and their communities.

INVESTING IN COURAGEOUS LEADERS

The Locke Innovative Leader Award lifts up the work of spiritual entrepreneurs who envision new ways to serve their mission field and inspire others to join them in growing the impact of the church and nourishing their communities.

The Locke Innovative Leader Award recognizes individuals who demonstrate exceptional creativity and leadership in developing new practices and ministries that expand the experience of God's love.

This award is named in honor of former Wesleyan Impact Partners President, Tom Locke, who was committed to investing in bold leaders who advance the mission of the church and create communities that change the world.
