Invest in the Mission of the Church While Earning Positive Returns¹

Impact Certificates are variable or fixed-rate with flexible and 1-to-5-year terms. Texas Methodist Foundation investors make possible loans for churches, grants for nonprofits, and initiatives that embolden leaders through learning and innovation, strengthening the church's witness today and into the future across Texas and New Mexico.

IMPACT STORY

Enabling Lives with Purpose and Hope

We see Christ at work when we support those on a new and uncertain path.

Amazing Place is a state-of-the-art care facility that supports adults and their caregiving families and friends to live full and meaningful lives despite a diagnosis of dementia. With campuses in Houston and Katy, Texas, it is a blessing and vital resource to the individuals and families it serves.

Investors in TMF Impact Certificates made possible a loan that will enable Amazing Place's life-giving ministry well into the future.
